The Need and Importance of Istikhaarah:

It was reported by Jaabir ibn Abd-Allaah al-Salami (may Allaah be pleased with him) who said:

عَنْ جَابِرِ رَضِيَ اللَّهُ عَنْهُ قَالَ: كَانَ النَّبِيُّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ يُعَلِّمُنَا الْإِسْتِخَارَةَ فِي الْأُمُورِ كُلِّهَا، كَالسُّورَةِ مِنَ الْقُرْآنِ: إِذَا هَمَّ بِالْأَمْرِ فَلْيَرْكَعْ رَكَعَتَيْنِ، ثُمَّ يَقُولُ
(اللَّهُمَّ إِنِّي أَسْتَخِيرُكَ بِعِلْمِكَ، وَأَسْتَقْدِرُكَ بِقُدْرَتِكَ، وَأَسْأَلُكَ مِنْ فَضْلِكَ الْعَظِيمِ، فَإِنَّكَ تَقْدِرُ وَلَا أَقْدِرُ، وَتَعْلَمُ وَلَا أَعْلَمُ، وَأَنْتَ عَلَّامُ الْغُيُوبِ، اللَّهُمَّ إِنْ كُنْتَ تَعْلَمُ أَنَّ هَذَا الْأَمْرَ خَيْرٌ لِي فِي دِينِي وَمَعَاشِي وَعَاقِبَةِ أَمْرِي أَوْ قَالَ عَاجِلِ أَمْرِي وَآجِلِهِ فَأَقْدِرْهُ لِي، وَإِنْ كُنْتَ تَعْلَمُ أَنَّ هَذَا الْأَمْرَ شَرٌّ لِي فِي دِينِي وَمَعَاشِي وَعَاقِبَةِ أَمْرِي أَوْ قَالَ فِي عَاجِلِ أَمْرِي وَآجِلِهِ فَاصْرِفْهُ عَنِّي وَاصْرِفْنِي عَنْهُ، وَأَقْدِرْ لِي الْخَيْرَ حَيْثُ كَانَ، ثُمَّ رَضِّنِي بِهِ}} وَيُسَمِّي حَاجَتَهُ “

{Allaahumma inni astakheeruka bi ilmik, va as taqdiruka bi khudaratik, va as aluka min fazlikal azeem, fa innaka taqdiru vala aqdiru, va ta'lamu vala a'lamu, va anta allaamul ghuyooob, allahumma in kunta ta'lamu anna haazal amr khairun li fi deeni va ma'ashi va aaqibati amri, au fi 'a'ajili Amri, va aajlihi, faqdurhu li, va in kunta ta'lamu anna haazal amr sharrun li fi deeni va ma'ashi va aaqibati Amri, au fi 'a'ajili Amri, va 'aajilihi fasrifhu 'anni vasrifni anhu, vaqdur liyal khaira haisu kaan, summa razzini bihi}.” (Bukhari: 6382)

The Messenger of Allaah (ﷺ) used to teach his companions to make istikhaarah in all things, just as he used to teach them soorahs from the Qur'an. He said: If any one of you is concerned about a decision he has to make, then let him pray two rakahs of non-obligatory prayer, then say: (O Allaah, I seek Your guidance [in making a choice] by virtue of Your knowledge, and I seek ability by virtue of Your power, and I ask You of Your great bounty.

You have power, I have none. And You know, I know not. You are the Knower of hidden things. O Allaah, if in Your knowledge, this matter (then it should be mentioned by name) is good for me both in this world and in the Hereafter (or: in my religion, my livelihood and my affairs), then ordain it for me, make it easy for me, and bless it for me. And if in Your knowledge it is bad for me and for my religion, my livelihood and my affairs (or: for me both in this world and the next), then turn me away from it, [and turn it away from me], and ordain for me the good wherever it may be and make me pleased with it.

(Reported by al-Bukhaari, 6841; similar reports are also recorded by al-Tirmidhi, al-Nisaaai, Abu Dawood, Ibn Maajah and Ahmad).

- 1) A Muslim must intend to perform in all the difficult affairs of life.
- 2) Ablution
- 3) Two units of supererogatory prayer.
- 4) Read the dua of istikhaarah after the completion of prayer.
- 5) Praise Allaah and send salutations and greetings upon the final Prophet (ﷺ) before supplicating.

Some Important Rulings Regarding Salat-ul-Istikhaarah:

- 1) Can pray it during the day/night.
- 2) Duaa of Istikhaarah should be after saying the salaam and it is also allowed to do dua before saying the salaam as given proofs by Ibn Taymiyyah (Rahimahullah).
- 3) This is Sunnah (recommended) not fardh (obligation).
- 4) Can perform Istikhaarah as long as we don't get assured.
- 5) The Messenger of Allaah (ﷺ) used to supplicate three times but supplicating for once will also suffice.
- 6) This prayer can be offered to get guidance for all the minor and major affairs.
- 7) Allaah's guidance and help (in the future) can be sought through this prayer.
- 8) Some pious people said: The one who performs Istikhaarah and mashwarah will not be regretful. [Al Kalimatuth Tayyib of Ibn Taymiyyah: 7]
- 9) "If the reply of Istikhaarah is grape, then it is good and if the reply of the Istikhaarah is thorn, then it is evil", this is a baseless statement.
- 10) Praying this Salah in white clothes is an act without evidence.
- 11) With regard to what some people say, then he should go ahead with whatever he feels happy with, a hadeeth to this effect was narrated from the Prophet (ﷺ) is weak. There is no sahih daleel (evidence) for this as far as we know.

The hadith which mentions that heart will be assured after performing istikhaarah is weak (Shaykh Uthaymeen). However, we come to know from the wordings of the dua of istikhaarah i.e. summa ardhinee bihee that the assuredness of heart is also a sign of acceptance. Allaah knows best.

12) One of the signs of acceptance of istikharah is opening up of the heart. However, deeming it to be certain and not benefiting from seeking counsel and our experience is not correct because the hadith pertaining to this issue is weak. It can be deduced from the general texts that opening up of heart is a sign but basing our final verdict on that sign is incorrect.

13) THE SIGNS OF THE RESULT OF ISTIKHAARAH

- a) Sharh-e-sadr (satisfaction)
- b) Tendency
- c) Ease in the affairs

14) Seek counsel before Istikhaarah. The one (from whom the counsel is sought) must have the following qualities:

- I. Well-wisher
- II. Well acquainted

15) And Muslim (2162) narrated from Abu Hurairah (may Allaah be pleased with him) that the Messenger of Allaah (ﷺ) said:

عَنْ أَبِي هُرَيْرَةَ، أَنَّ رَسُولَ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ قَالَ “ حَقُّ الْمُسْلِمِ عَلَى الْمُسْلِمِ سِتٌّ ” . قِيلَ مَا هُنَّ يَا رَسُولَ اللَّهِ؟ قَالَ “ إِذَا لَقَيْتَهُ فَسَلِّمْ عَلَيْهِ، وَإِذَا دَعَاكَ فَأَجِبْهُ، وَإِذَا اسْتَنْصَحَكَ فَأَنْصَحْ لَهُ، وَإِذَا عَطَسَ فَحَمِدِ اللَّهَ فَسَمِعْتَهُ، وَإِذَا مَرَضَ فَعُدَّهُ، وَإِذَا مَاتَ فَاتَّبِعْهُ ”

“The rights of one Muslim over another are six.” It was said: What are they, O Messenger of Allaah? He said: “If you meet him, greet him with salaam; if he invites you, accept the invitation; if he asks for advice, give him sincere advice; if he sneezes and praises Allaah, say Yarhamuk Allaah (may Allaah have mercy on you); if he falls sick, visit him; and if he dies, attend his funeral.”

16) Wisdom behind failing after praying istikhaarah.

- A. The Hikmah of Allaah
- B. Compensation for the sins
- C. Immense reward on the day of judgment.

The Prophet (ﷺ) said: “How wonderful is the situation of the believer, for all his affairs are good. If something good happens to him, he gives thanks for it and that is good for him; if something bad happens to him, he bears it with patience, and that is good for him.” *Narrated by Muslim (2999)*

Some Important Advices and Guidelines Before Niqaah:

- 1) Delaying the marriage (without any valid reason) is prohibited.
- 2) A man should not ask for the hand of a girl who is already engaged to his Muslim brother, unless the first suitor gives her up, or allows him to ask for her hand. [Bukhari: 5142]
- 3) We must avoid useless customs and extravagancy in the marriage such as bridegrooms wearing a ring of gold. This is weakening the society.
- 4) Nullifying the engagement (without any valid reason) is equal to violating the promise and it may also fall under the act of hypocrisy. One must not harm others.
- 5) It was narrated from Abu Hurairah that the Prophet (ﷺ) said: "A woman may be married for four reasons: her wealth, her lineage, her beauty and her religious commitment. Choose the one who is religious, may your hands be rubbed with dust [i.e., may you prosper]."

عَنْ أَبِي هُرَيْرَةَ رَضِيَ اللَّهُ عَنْهُ عَنِ النَّبِيِّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ قَالَ " تَنْكُحُ الْمَرْأَةُ لِأَرْبَعٍ: لِمَالِهَا، وَلِحَسَبِهَا، وَجَمَالِهَا، وَلِدِينِهَا، فَأَظْفَرُ بِذَاتِ الدِّينِ تَرَبَّتْ يَدَاكَ ". (Narrated by al-Bukhaari, 5090; Muslim, 1466)

- 9) Wearing a ring to protect one's marriage constitutes 'Tameemah' (forbidden type of taweez <amulet>), and if he is not wearing with the intention of protection of marriage then it is an act of resembling the Christians (should be away from these things).
- 10) A woman (who is in her menses) can be married off. However, it is forbidden to have intimacy with her during menses.

The Evil Acts which should be Avoided:

- 1) Customs and Rituals
- 2) Saanchak (Indian non Islamic ritual)
- 3) Dowry
- 4) The invitation of performing engagement with extravagant expenses.
- 5) Applying Mehndi / henna (الحناء) to the bride (It is allowed but not performed as a batil rasam (the Indian ritual which contradicts Islamic Shariah - must be avoided).
- 6) "Salaamiyan" (Indian non Islamic ritual).

B. DURING NIKAH

The Pillars Of Niḳaah:

01. The presence of bride and bridegroom and it should be free of all the obstacles (for instance, marrying forbidden relations).
02. **INVITING WITHOUT COERCION:**
The judge *i.e.* Qadhi will ask the bridegroom (after seeking approval from the bride) "I am marrying you with this girl on a specific amount of MAHR, Do you accept?"
- 03) **ACCEPTANCE WITHOUT COERCION:** The bride or bridegroom replies: "I accept"

[al Mulakkhasul Fiḳhi of Shaykh Saalih al Fawzan]

The Conditions Of Niḳaah:

- 1) Specification of the girl and boy by name, quality etc.
- 2) Approval of the bride and the bridegroom.

The Prophet (ﷺ) said:

“A previously-married woman has more right concerning herself than her guardian, and the permission of a virgin should be sought (regarding marriage), and her permission is her silence.”

Narrated by Muslim, 1421

Note: Don't force your offspring in marriage. This must be certainly avoided as it is rejected.

- 3) The consent of Wali on behalf of the bride.
(According to one opinion, it is one of the pillars of Nikaah) (Abu Dawod: 2085)
- 4) Presence of the trust worthy 2 witnesses. (Sahih al-Jaami: 7557)

Obligations of Niḳaah:

- 1) Mahr [Nisaa: 4]
(According to one opinion, it is one of the conditions of Nikaah.)
- 2) Valimah (Bukhari: 5155)

What are the qualities of a Wali i.e. guardian?

Man, Sane, Adult, Free, Muslim, Just, Trustworthy (He should not be a (fasiq), majors inner well-wisher), and Guided.

The Announcement of Niḳaah:

The Islamic Shariah has specifically enforced to announce the Nikaah.

List of the Allowed Things in Niḳaah:

- 1) Wearing good clothes.
- 2) Cleaning the impure hair (Ex: armpits, moustache etc.)
- 3) Performing Valimah based on our capability (one shouldn't transgress in performing the Valimah limits). (Sahih al-Jaami: 3300)
- 4) Performing Nikaah and Farewell separately is allowed.
- 5) If there is no fear of fitnah, then girls can play duff and women can recite poetry which is free of shamelessness, immodesty and polytheism.

Some Important Advice (During Niḳāah)

- 1) One should congratulate the bride and the bride groom in the following words:

بَارِكْ اللهُ لَكَ ، وَبَارِكْ عَلَيْكَ ، وَجَمَعَ بَيْنَكُمَا فِي خَيْرٍ

It was narrated from Abu Hurairah (may Allaah be pleased with him) that when a man got married he would congratulate him and pray for him, saying: “May Allaah bless you and bring blessings upon you and bring you together in goodness.”

Narrated by Abu Dawood (2130) and classed as Sahih by al-Albaani

Explanation and Meaning of Duaa:

- (i) May Allaah grant barakah in your rights and responsibilities and May Allaah protect you from harm.
 - (ii) May Allaah grant you goodness in prosperous circumstances and May Allaah protect you from harm in unfortunate circumstances. May Allaah enjoin both of you upon goodness in all the circumstances.
- 2) Gifting on marriages is allowed but not obligatory. Considering it is an obligation is incorrect.
 - 3) The family members of the bridegroom should go to the bride’s home with an appropriate number of relatives. Unfortunately, we see now-a-days that the bridegroom’s family comes with hundreds of people and demands variety of foods in hostages; this becomes a burden on the bride’s family. If marriages don’t happen due to these obstacles, this is Haraam and oppression on the bride’s family.
 - 4) Beautifying and decorating oneself is allowed but in the prescribed limits of the Shariah. The cosmetic which prevents us from performing ablution for the prayer shouldn’t be used.
 - 5) We should abstain from immodesty and shamelessness.
 - 6) The attendees of the Valimah should pray in the following words:

اللَّهُمَّ بَارِكْ لَهُمْ فِيْمَا رَزَقْتَهُمْ، وَاعْفِرْ لَهُمْ، وَارْحَمَهُمْ

“O Allaah! Bless them in what you have provided them as sustenance; and forgive them and have mercy upon them”

[Muslim: 2042]

اللَّهُمَّ، أَطْعِمْ مَنْ أَطْعَمَنِي، وَأَسْقِ مَنْ أَسْقَانِي.

“O Allaah! Feed him who fed me and give drink to him who provided me drink”. *[Muslim: 2055]*

أَفْطَرَ عِنْدَكُمْ الصَّائِمُونَ وَأَكَلَ طَعَامَكُمْ الْأَبْرَارُ وَصَلَّتْ عَلَيْكُمْ الْمَلَائِكَةُ .

“May the fasting (men) break their fast with you, and the pious eat your food, and the angels pray for blessing on you”.

[Abu Dawood: 3854]

- 7) Performing Valimah by being in our limits and paying less Mahr is recommended.

[Sahih ul Jaami: 3300]

- 8) Now a days, Valimah and mahr is carried out in terms of lakhs. However, if we follow Shariah, we can carry it out in terms of hundreds.
- 9) Nikaah can be performed in a place where we can hold a congregation. So, we can perform it in mosque (or) any other place.

- 10) It is not permissible to shave the eyebrows or reduce them, because that is the namas (plucking) for which the Prophet (ﷺ) cursed the one who does it and the one who asks for it to be done. However, reducing it for a valid reason such as for any medical purpose or removing any defect etc... is permissible. (Ibn baaz)
- 11) The nails and hair must be cut within forty days. (of the last cutting) [Muslim: 258]
- 12) In presence of gair mahram anklet bells are not allowed in Islam. (Surah al-Noor: 31)
- 13) Dyeing the grey hair black is impermissible however any other colour can be used. (Muslim: 2102)
- 14) We should abstain from cheating and treachery. (Muslim: 102)
- 15) It is permissible for men to wear silver ring. (Musnad Ahmad: 6518)
- 16) It is permissible for men to use kohl for eyes. (Silsilah al-Sahihah: 633)
- 17) Mahr-e-muajjal (مؤجل) is allowed but Mua'jjal (معجل) is appreciated.
It is permissible to delay the payment of Mahr-e-Muajjal. However, the Islamic Shari'ah encouraged to pay it as soon as possible. (Bukhari: 5126)
- 18) A woman can lay off (excuse) her mahr. (Surah al-Nisaa:3)
- 19) All the legal documents of marriage must be applied and taken as soon as possible. (Surah al-Baqarah: 282/ Surah al-Mayidah: 1)
- 20) There can be interval between Nikaah and farewell.
- 21) One should consider the religious suitability. A Muslim man should not marry a non-Muslim woman except the women of the people of the book and a Muslim woman should not marry a non-Muslim man.

Similarly, one should not marry an individual who abandons Salah, who does not practise religion and possesses an ill character.

Note: Adding parameters such as family status, linguistic basis, regional background, tribal origin, lineage etc... in the name of religious suitability is absolutely forbidden. [49:13]

- 22) One must refrain from hiding the defects which can cause harm to the marital life. [Majmoo al Fatawa: 32/61]
- 23) Maximum and minimum Mahr is not fixed in the Shariah. However, there is a guarantee of blessings in the minimum mahr. [As Sahiha of Allama Albani: 1842]

The Reasons for delay in the Marriage

- 1) The huge price of dowry. (Mahr)
- 2) Non-Shariah customs and practices.
- 3) The misguidance of youth.
- 4) The irresponsible behaviour of youth.
- 5) The case of Dowry.
- 6) Useless customary practices.

- 7) Due to an irrational reason such as!
 - A. What is the age of boy? , he is still small?
 - B. After performing hajj?
 - C. After someone's marriage?
 - D. After getting job?
 - E. After higher education?
 - F. After gaining a rich status in the society.
- 8) Due to false imaginations and thoughts regarding the boy and the girl.
- 9) Forcing the boy or girl into a marriage proposal. In result, they will dislike the invitation of marriage.
- 10) The excessive conditions and demands.
- 11) Excessive scrutiny and queries.
- 12) Doubting without reason.
- 13) Excessive doubts and desires.
- 14) Resembling misguided communities.
- 15) Imaginary fears
- 16) Irrational plans
- 17) Laziness and incompetency in seeking provision.

THE SERMON OF NIKAH AND LESSONS:

- 2) The sermon of Nikaah is a constitution for the upcoming life. The institution of family is based upon the teachings of this sermon.

3) The following verses are recited in the sermon of Nikaah:

إِنَّ الْحَمْدَ لِلَّهِ نَحْمَدُهُ وَنَسْتَعِينُهُ وَنَسْتَغْفِرُهُ وَنَعُوذُ بِاللَّهِ مِنْ شُرُورِ أَنْفُسِنَا وَمِنْ سَيِّئَاتِ أَعْمَالِنَا، مَنْ يَهْدِ اللَّهُ فَلَا مُضِلَّ لَهُ وَمَنْ يَضِلَّ اللَّهُ فَلَا هَادِيَ لَهُ، وَأَشْهَدُ أَنْ لَا إِلَهَ إِلَّا اللَّهُ وَحْدَهُ لَا شَرِيكَ لَهُ وَأَشْهَدُ أَنَّ مُحَمَّدًا عَبْدُهُ وَرَسُولُهُ

Yaa ayyuhalladheena aamanu- ttaquLlaaha haqqa tuqaatihi wa laa tamootunna illaa wa antum muslimoon.

(O you who believe! Fear Allaah as He should be feared and die not except in a state of Islam (as Muslims) with complete submission to Allaah.) [Aal Imraan 3:102],

يَا أَيُّهَا النَّاسُ اتَّقُوا رَبَّكُمُ الَّذِي خَلَقَكُمْ مِنْ نَفْسٍ وَاحِدَةٍ وَخَلَقَ مِنْهَا زَوْجَهَا وَبَثَّ مِنْهُمَا رِجَالًا كَثِيرًا وَنِسَاءً ۗ وَاتَّقُوا اللَّهَ الَّذِي تَسَاءَلُونَ بِهِ وَالْأَرْحَامَ ۗ إِنَّ اللَّهَ كَانَ عَلَيْكُمْ رَقِيبًا

Yaa ayyuhan-naas uttaqu rabbakum alladhi khalaqakum min nafsin waahidatin wa khalaqa minhaa zawjahaa wa baththa minhumaa rijaalan katheeran wa Nisaaaan wattaqu-Llaah alladhi tasaaaloona bihi wal-arhaama inna Allaaha kaana alaykum raqeeban.

(O mankind! Be dutiful to your Lord, Who created you from a single person, and from him He created his wife, and from them both He created many men and women, and fear Allaah through Whom you demand your mutual (rights), and (do not cut the relations of) the wombs (kinship) Surely, Allaah is Ever an All-Watcher over you.) [al-Nisaa 4:1]

يَا أَيُّهَا الَّذِينَ آمَنُوا اتَّقُوا اللَّهَ وَقُولُوا قَوْلًا سَدِيدًا يُصْلِحْ لَكُمْ أَعْمَالَكُمْ وَيَعْفِرْ لَكُمْ ذُنُوبَكُمْ ۗ وَمَنْ يُطِيعِ اللَّهَ وَرَسُولَهُ فَقَدْ فَازَ فَوْزًا عَظِيمًا. أَمَا بَعْدُ

Yaa ayyahulladheena aamanu- ttaquLlaaha wa qooloo qawlan sadeedan. (O you who believe! Keep your duty to Allaah and fear Him, and speak (always) the truth). [al-Ahzaab 33:70].

Muraqabah means that we acknowledge the fact *i.e.* Allaah is watching all of our affairs. This acknowledgment will protect us from transgression and oppression.

- 14) ((فَقُولُوا قَوْلًا سَدِيدًا)) We often lie about the colour of Skin, Home, Salary etc. in the affairs of marriage. This is unacceptable. Rather, we should speak the truth as it eases our affairs and also averts the danger of instant divorce ((يُصْلِحْ لَكُمْ أَعْمَالَكُمْ))

The Shari Limits of Entertainment:

The couple can entertain themselves by being in the prescribed limits of the Shariah such as commanding the good and forbidding the evil. Honeymoon is synonymous to blindly following the western culture.

The Principles for a Successful Marriage:

- 1) Having sense of responsibility.
 - 2) Honouring each other
 - 3) Monotheism, Prophethood and the Day of Judgment.
- We have to only worship Allaah and obey his messenger (ﷺ)
 - The home will be governed according the Shariah neither by the will of the husband nor of the wife.
 - One of the requisites of Tawheed is Muraqabah. It is belief by a slave of Allaah that Allaah, The Exalted, is ever watchful of his actions. This belief will extinguish the evil, harmful and conspiring nature of an individual. Thereby making him serious in all of his affairs. For example, The Messenger of Allaah (ﷺ) and his wives are an inspiration for all of us.
 - The verse “So whosoever does good equal to the weight of an atom (or a small ant), shall see it; And whosoever does evil equal to the weight of an atom (or a small ant), shall see it” [99: 7-8] reminds us that all of us will be held accountable on the Day of Judgment.
 - The verse “The Only Owner (and the Only Ruling Judge) of the Day of Recompense (i.e. the Day of Resurrection)” makes us feel of our responsibility and results is easing all of our affairs.
- In Sha Allaah
- 4) Tolerance
 - 5) Beware about maata ul ghuroor متاع الغرور should not be deluded by the world; we must think of the world by being aware of its reality and we should not wander in an imaginary

world. This world often deceits as it is an illusion. We cannot acquire everything in this world as it is only possible in Jannah; it is only Jannah where we can everything without limit. This world is a substance of deceit.

The means of this real world are:

Reliance, Consciousness, Honesty, Trust, Pure and Delightful Nature, Contentment, Patience, Forbearance, Leniency, Refraining from disputes, Tenderness, Fondness, Mercy and Compassion, Justice and Excellence, Abstaining from immodesty and evils, Helping one another in Al-Birr and At-Taqwa (virtue, righteousness and piety) but not helping one another in sin and transgression.

- 6) We should maintain conversations in all the circumstances, We should include them in all of our counsels, being constantly mindful that others are helpful, supporting, and friends to us, We should help each other in order to attain Jannah, forsaking talking to each other in a state of displeasure, being unconcerned about each other in a state of displeasure, conceit, arrogance, pomposity, betrays trust, oppression, lying, slandering, doubts and uncertainties, suspicions, not taking care of each other, ill behaviour towards relatives, all these traits are venomous for a marital life.
- 7) We should be concerned of the child's future during marital discord. One should think that our disputes can affect our children. We should think of the Ummah and humanity. Where are our calibre exhausted and why all of our skills are being exerted in quarrels?

A Huge Vision, The Purpose of Life, to live for the of humanity on the verge of experiencing pain, to propagate Islam, The purpose of life is to establish slave hood.

When a man lives his life by making the above purposes as aims of his life; then minute disputes will be automatically solved.

We should create an environment of education, contemplation, ponder, remembrance through Quraan, comprehension of the hadith and Shariah, knowledge, action, invitation, rectification and patience in our homes.

8) 5 principles of well-being laid by psychiatrists:

- One must avoid harshness, anger, rudeness etc. and adopt qualities like gentleness, cheerfulness etc. in all of his affairs.
- One must alter his daily routine in a halal manner in order to create a delightful environment in his home.

- Mutual trust

The Solution to End the Obstnacy of the Husband and Wife:

- 1) Obstnacy is recommended in some affairs and disliked in some affairs.
- 2) Obstnacy is a sign of weakness
- 3) One must adapt himself according to the circumstances and the people in Shariah way otherwise they will fall in to the Obstnacy.
- 4) Obstnacy breaks the relationships whereas gentleness strengthens the relationship.

- 5) Sometime obstinacy is an evil inherited to the people so they have to purify and control in the Islamic teachings.
- 6) The people who are deprived from love those are falling in to the obstinacy.
- 7) Problem should be solved through discussions and not through dictations.
- 8) One must observe forbearance and tolerance.
- 9) One must ponder on the fate of arrogant people mentioned in the Qurazn such as Firawn, Hamaan, People of Add and People of Samood etc. this will help to control the intolerance and obstinacy.

Ibn Qayyim said:

Removing the mountains from their places is easier than removing these four characteristics (of arrogance, envy, anger and lusts) which a person has been afflicted with. *Al Fawa'id*

The Messenger of Allaah (ﷺ) said:

“Seeking the [obligatory] religious knowledge is an obligation upon every Muslim.”

[Sunan Ibn Majah: 224]

Learning may be an individual obligation (fard ‘ayn); this refers to learning that which a Muslim cannot do without knowing in order to carry out his religious duties, and to make his deeds sincerely for Allaah alone, may He be exalted, and how to interact with other people. It is enjoined upon every accountable person, male or female – after learning what is needed in order to have proper understanding of the tenets of faith, which form the foundation of the religion – to learn about that which will help him to do acts of worship and to interact with others in the correct manner; that includes Wudoo’, Ghusl, Prayer, Fasting, rulings on Zakaah and Hajj, Nikaah etc... for those for whom these things are obligatory, and having a sincere intention for the sake of Allaah when doing acts of worship.

The word ‘Nikaah’ comes from the verb ‘na-ka-ha’ which means to join together two things or in a more general sense, embracing and the like. It is the conclusion of a contract between a man and a woman, with each of them desiring to enjoy and take pleasure in one another, establish a righteous family and a safe and sound society. The word Nikaah can refer to both the marriage contract and intercourse together.

The phrase in the famous hadith of Bukhari related to Nikaah translated here as “afford it” may refer to the costs of marriage as well as ‘intercourse’. *Ibn Hajar in Fathul Bari: 9:108*

An Important Lesson:

We have made affordable matter as unaffordable. We have wasted five years of our life for preparing ourselves to make extravagant and vain expenses in marriage and another five years in settling the debts that we took to perform marriage. The institution of marriage has become a disaster:

“I have sought four days from my life span; two spent in longing and the rest in wait”.

عمر دراز مانگ کر لائے تھے چار دن دو آرزو میں کٹ گئے دو انتظار میں

Note: As marriage is related to tying up of relationships; we will mention here the rights of parents and other relatives as a reminder.

After the grace of Allaah, through the love and guardianship of your parents you have reached the age of marriage; so acknowledge the bounties of Allaah upon you and be grateful to your parents.

The Rights of Parents:

- 1) To be respectful towards parents. (Bani Israel: 23-24)
- 2) To obey their commands. (Luqman: 14-15)
- 3) To behave in a good manner. (Sunan Abu Dawood: 5143)
- 4) To fulfil their needs. (Baqarah: 215)
- 5) To refrain from harming them. (Sahih Muslim: 313)

The Importance of Kinship:

Islam calls for the upholding of the ties of kinship because of the great effect that this has on achieving social cohesion and perpetuating cooperation and love among the Muslims. Upholding the ties of kinship is a duty.

The Messenger of Allaah (ﷺ) said: "Whoever would like his rizq (provision) to be increased and his life to be extended, should uphold the ties of kinship."

(Reported by al-Bukhaari, 5986 and Muslim, 2557)

Narrated Abdullah ibn Amr ibn al-'Aas: The Prophet (ﷺ) said:

The Compassionate One has mercy on those who are merciful. If you show mercy to those who are on the earth, He who is in the heaven will show mercy to you. (Sunan Abu Dawood: 4941)

Once we understand this, we need to ask: who is the one who upholds the ties of kinship? This was explained by the Messenger (ﷺ) when he said: "The one who maintains a relationship with his relatives only because they maintain a relationship with him is not truly upholding the ties

of kinship. The one who truly upholds those ties is the one who does so even if they break off the relationship.”

(Reported by al-Bukhaari, 5991)

A man said to the Messenger of Allaah (ﷺ), “I have relatives with whom I try to keep in touch, but they cut me off. I treat them well, but they abuse me. I am patient and kind towards them, but they insult me.” The Prophet (ﷺ) said, “If you are as you say, then it is as if you are putting hot dust in their mouths. Allaah will continue to support you as long as you continue to do that.”

(Reported by Muslim : 2558)

Allaah has warned us against cutting the ties of kinship

Narrated Abu Hurairah: The Prophet (ﷺ) said,

“The word ‘Ar-Rahm (womb) derives its name from Ar-Rahman (i.e., one of the names of Allaah) and Allaah said: ‘I will keep good relation with the one who will keep good relation with you, (womb i.e. Kith and Kin) and sever the relation with him who will sever the relation with you, (womb, i.e. Kith and Kin).”

[Sahih Bukhari: 5988]

Narrated Jubair bin Mut`im:

That he heard the Prophet (ﷺ) saying, “The person who severs the bond of kinship will not enter Paradise.”

[Sahih Bukhari: 5984]

Narrated Jarir bin `Abdullah: The Messenger of Allaah (ﷺ) said:

“Allaah will not be merciful to those who are not merciful to mankind.”

(Sahih Bukhari: 7376)

The Messenger of Allaah (ﷺ) said:

“Mercy is not removed (from anyone) except from a wicked one.”

(Sunan Tirmidhi: 1923)

Grant me the power and ability that I may be grateful for Your Favour which You have bestowed upon me and upon my parents, and that I may do righteous good deeds, such as please You, and make my off-spring good. Truly, I have turned to You in repentance, and truly, I am one of the Muslims (submitting to Your Will).” [46:15]

6. Narrated Ibn `Abbas: The Messenger of Allaah (ﷺ) used to seek Refuge with Allaah for Al-Hasan and Al-Husain and say: “Your forefather (i.e. Abraham) used to seek Refuge with Allaah for Ismael and Ishaq by reciting the following: ‘O Allaah! I seek Refuge with Your Perfect Words from every devil and from poisonous pests and from every evil, harmful, envious eye.’

(Sahih Bukhari: 3371)

7. One must read ‘Aouzbillahi minal Ayn’ (اعوذ بالله من العين) in order to preserve his relationships.

Good Training of Children

Ibn al-Qayyim (may Allaah have mercy on him) said:

Whoever neglects to teach his child that which will benefit him, and leaves him without any guidance, has wronged him gravely. Most children’s deviance is because of their parents and the parents’ neglect and failure to teach them the obligatory religious duties and the Sunnah of the Prophet (ﷺ), so they neglected them when they were small....

How many are the parents who were the cause of their children’s misfortune and suffering in this world and the hereafter, because of their negligence and failure to discipline the child, and their encouraging and helping him to pursue his whims and desires. By doing that, they think that they are being kind to the child, at the time when they are disgracing him, and they think that they are showing mercy to him at the time when they are wronging him. Thus the child will be of no benefit to his parent, and the parent is the cause of the child’s misfortune and of his missing out on opportunities for success in this world and the hereafter...

If you think of the causes of children’s misguidance and corruption, you will see that it is mostly the fault of the parents.

End quote from *Tuhfat al-Mawdood bi Ahkaam al-Mawlood* (p. 229, 242)

We smell good fragrance while picking up flowers and bad odour on picking contamination. This is a parable of good and evil gatherings.

May Allaah enable us to maintain our relationships with goodness.

Note: Usually, there will be gathering sessions before and after the marriage ceremony, so one must remember Allaah and recite Durood (individually) in these gatherings.

One must preserve himself from slandering, backbiting, mocking, vain speech etc.

One should make the following supplication at the end of gatherings:

Sunan Tirmidhi (3433) narrated that Abu Barzah al-Aslami (may Allaah be pleased with him) said: The Messenger of Allaah (ﷺ) used to say, when he wanted to leave a gathering:

سُبْحَانَكَ اللَّهُمَّ وَبِحَمْدِكَ أَشْهَدُ أَنْ لَا إِلَهَ إِلَّا أَنْتَ أَسْتَغْفِرُكَ وَأَتُوبُ إِلَيْكَ

Subhaanaka Allaahumma wa bihamdika, 'ash-hadu 'an laa 'ilaaha 'illaa 'Anta, 'astaghfiruka wa 'atoobu 'ilayka

"Glory and praise be to You, O Allaah, there is no god but You, I seek Your forgiveness and I repent to You."

A man said: O Messenger of Allaah, you are saying something that you did not say before. He said: "It is expiation for anything that happened in the gathering."
